The ministeries provided by our sisters are dependent on the needs of the islands. We focus on :

- tertiary education
- nursing
- pastoral ministry
- guidance and counselling
- managment of three retreat centres
- catechetics
- christian meditation

We have recently added another ministry by way of serving in our recently opened Tea House. Here patrons are served by staff, while a few sisters mingle briefly among the patrons welcoming them and listening to the many stories they wish to share.
