Throughout the country, including the islands of Madeira and the Azores, the Sisters and lay people who share the same charism, announce the Good News and are a presence of the tenderness of God.

Portugal

- 20 communities
- 181 sisters
- Founded in 1881

The sisters help to liberate and promote human dignity, among all those to whom they are sent :

- hosting small children in the centers of social solidarity
- hosting adolescents and young people in schools
- in parishes that don't have priests
- in welcoming sisters, associates and lay people for retreats and formation ;
- in the care of our elderly and sick sisters
- supporting families in need by collecting food and working against hunger with the Food Bank
- in a suburb of Lisbon through the presence of a small community of Sisters

"... That they may have life and have it abundantly" (Jo.10, 10)
